MARIEA ANTOINETTE

Mariea Antoinette is a groundbreaking **international jazz harpist** known for redefining her instrument with an expressive fusion of jazz, soul, R&B, and contemporary sounds. With a classical foundation and a fearless creative spirit, she elevates the harp from its traditional role into a commanding, modern lead instrument.

MARIEA ANTOINETTE

BIOGRAPHY

Mariea Antoinette's unique musical journey began with classical training at the University of California, San Diego (UCSD), followed by advanced harp performance studies at the University of Arizona. Her deep musicianship and innovative approach have propelled her into international acclaim, transforming the harp with soulful depth and genre-defying style.

As a recording artist, composer, and electrifying live performer, Mariea has shared stages with legendary artists and delivered unforgettable performances at major festivals, elite events, and cultural gatherings. Her charismatic presence and technical mastery have made her one of the most distinctive musicians in contemporary jazz.

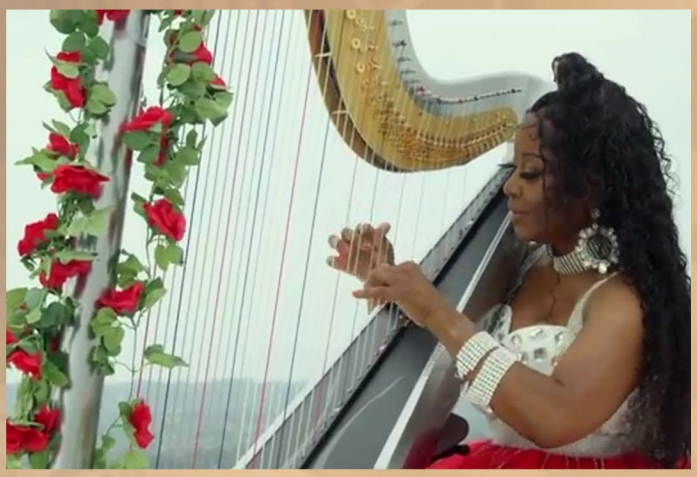

Musical Style & Impact

- A pioneering artist in modern jazz harp
- Musical fusion of **jazz, R&B, soul, and contemporary grooves**
- Known for bringing emotional depth and expressive range to every performance
- Recognized for redefining the harp as a lead instrument in jazz and popular music

Mariea's music blends tradition with innovation, inviting listeners into a rich soundscape that moves from soulful intimacy to bold improvisational energy. Her live performances are celebrated for their emotional resonance as well as their technical brilliance.

MARIEA ANTOINETTE

PRAISES

"I absolutely love Mariea Antoinette! She takes her classically trained artistry to the next level and redefines what a harp can do in jazz, funk and R&B. She has created a lane of her own!"
- **Nathan East, GRAMMY Nominated Bassist**

"Mariea Antoinette's music is powerfully beautiful, far-reaching and soul piercing."
- **Gary Hines, GRAMMY-Winning Music Director, Sounds of Blackness**

"Your presence is a gift in itself. Thank you for sharing your God-given creativity, spirit, and brilliance with our community. The light you carry and the artistry you bring help make this evening not just an event, but an experience. We are deeply grateful for your heart and talent, and your continued support for our mission."
- **Carmen Hines**

"A true virtuoso."
- **Smooth Jazz Daily**

"You are really, really good. You're really good. I enjoyed your performance it was amazing!"
- **Stedman Graham**

"Mariea is living proof that a visionary artist can bust out of traditional boxes on pure ability alone."
- **Vanessa Bell Calloway, Actress**

"Is Mariea Antoinette still in the house? I have never heard anyone play the harp with so much soul, so much passion, she's incredible."
- **George Wallace, Comedian**

"Some talent is hard to explain, what I witnessed today at the jazz festival. OMG, Mariea Antoinette you were magnificent, not only beautiful of course, but magnificent. I am so Proud of You."
- **Dr. Stephanie Norfleet**
